(please complete in full as we cannot process applications for students under 18 years of age if ANY information is missing.)

whenever possible, and all students are given a travel pass and full travel information so they can be confident about the short journeys they make.

IH does not supervise students aged 13 and over when travelling to/from school, homestay or social events organised by the school. However, they can call the school emergency number at any time. If a student under 18 years of age is more than 10 minutes late for any class or activity, a procedure will begin to locate them. It is therefore vital that the school is informed if students are going to be late or not going to attend.

IH Newcastle has **strict curfew rules** for all students who are under 18 years of age:

All under-16 year old students must be home:

Sunday to Thursday by 21:00
Friday to Saturday by 21:30

All 16 and 17 years old students must be home:

Sunday to Thursday by 22:00
Friday to Saturday by 22:30

If a child repeatedly disregards the rules that have been put into place for everyone's safety and well-being, the school reserves the right to exclude the student from further school activities without any refund. All young learners are expected to abide by the UK laws affecting children (under 18 years old), even though they may be different from those in their home country.

I authorise the school to take my child for emergency medical assessment and to consent on my behalf to any necessary medical treatment for my child, including the use of anaesthetics.

I give permission for my child to appear in photos and videos that may be posted to the school's Facebook, Twitter or Instagram and may be used for promotion. Yes No

I declare that the above information is full and correct, and that I will inform International House Newcastle of any circumstances that may affect my child's stay in Newcastle. I have read and understood the booking conditions (available in full at <http://www.ihnewcastle.com/terms-and-conditions>)
